## **Supplemental Reporting**

### **Business Day**

Any day other than (i) a Saturday or a Sunday, (ii) a legal holiday in the States of Maryland, Minnesota, Delaware, New Jersey or New York, (iii) a day on which banking institutions in the States of Maryland, Minnesota, Delaware, New Jersey or New York are authorized or obligated by law or executive order to be closed or (iv) a day on which the New York Stock Exchange or the Federal Reserve Bank of New York is closed.

### **Distribution Date**

The 25th day of each month or, if such 25th day is not a Business Day, the next succeeding Business Day, commencing in November 2017.

### **Record Date**

Record Date: As to any Distribution Date, the close of business on the last Business Day of the month preceding the month of such Distribution Date.

### **Information Relating to Forbearance Modification Reporting**

Computershare Trust Company, N.A., in its named capacity or as agent of or successor to Wells Fargo Bank, N.A., as master servicer, securities administrator, or trustee, reports and allocates principal forborne in connection with mortgage loan modifications ("Forborne Principal") as losses or non-losses, including mortgage loan modifications made pursuant to the Home Affordability Modification Program, as explicitly and clearly reported by the servicer of the modified loan. From time to time, we may receive information from a servicer that revises or clarifies the servicer's intent about its treatment of Forborne Principal ("Supplemental Servicer Reporting"). If this occurs, the reporting of Forborne Principal is revised to conform to the Supplemental Servicer Reporting. This may result in the recognition and allocation of Forborne Principal as a loss after the modification date of a mortgage loan by the servicer or the reversal of a prior recognition and allocation of Forborne Principal as a loss.

#### Reclassification of Forborne Principal

Forborne Principal will be classified or reclassified on the first distribution date on which it is reasonably practicable to do so after it is determined that the Supplemental Servicer Reporting received, which, due to the time and effort necessary to review, verify, and process such Supplemental Servicer Reporting, may be several reporting periods after such reporting (such distribution date, the "Target Reporting Date").

### **Information Relating to Forbearance Modification Reporting, Continued**

#### Restatement of Distribution Reports to Loan Modification Date

Computershare Trust Company, N.A., in its named capacity or as agent of or successor to Wells Fargo Bank, N.A., will not restate distribution reports to reflect losses or gains attributable to Forborne Principal as of the date the servicer modified the loan if the Target Reporting Date is later than the normal reporting cycle for monthly servicer activities.

#### Restatement to Target Reporting Date

In certain circumstances, the distribution reports may be restated from the Target Reporting Date if it is determined that Forborne Principal was not applied in the manner specified in the Supplemental Servicer Reporting on the Target Reporting Date. It is the practice to restate previous distribution reports to the Target Reporting Date only if the restatement would have a significant impact on cash distributions to any class of certificates after the Target Reporting Date. If it is determined that restating previous distribution reports to the Target Reporting Date would have a significant impact on cash distributions to any class of certificates after the Target Reporting Date, then the distribution reports may be restated to the Target Reporting Date and include additional footnoting or reporting describing the restatement.

**Information Regarding Collateral Balance Detail Reporting**

As a result of a reporting limitation, the Collateral Balance Detail section of this Distribution Report does not include information about any Current Non-Loss Modifications. As a result, "Ending Scheduled Balance: IB" and "Ending Actual Balance: IB" are overstated by the amount of the Current Non-Loss Modifications, and "Ending NIB Non-Loss Balance" is understated by the amount of the Current Non-Loss Modifications. Loan-level information regarding the Current Non-Loss Modifications is provided in the Supplemental Non-Interest Bearing Detail Report set forth herein.
